Biography:

Dr. Gladys Pack served as the Yonkers Public Schools Assistant Superintendent for Program Development and Restructuring for 15 years. **She designed the district's blueprint for the development of a total magnet school district, designing 38 magnet schools at all grade levels.** She developed, wrote and implemented successful Magnet Assistance Grants, 21st Century Community Learning Center Grants, Gear Up, Smaller Learning Communities and Safe Schools Healthy Students, PT3, and foundation grants. She has conducted workshops in Developing Magnet Standards, Theme Development, Smaller Learning Communities and Grant Writing. She has worked with school districts around the country in the development of their magnet programs and schools and in development of grant proposals.
