Biography:

Dr. Scott currently serves in the capacity of Assistant Superintendent for Curriculum and Instruction in Galveston, Texas. For over 35 years, she served as a magnet school principal and as a high school principal. She has also worked in corporate America teaching teachers to integrate technology into their classroom instruction. In Galveston, she led the District Task Force in the creation of the **district's middle school Science, Technology, Engineering and Mathematics Magnet Program**. With a student population of slightly less than 6000, Galveston ISD has a magnet elementary program, a middle school magnet and two schools of choice options with a T-STEM Academy at the high school and the implementation of an Early College High School Program.
